

# SAVE THE TREES

## LET'S SEE:

Are we making a difference by recycling paper?

## YOU NEED:

\_\_\_ 1 yard stick

\_\_\_ your class recycle bin

## DO THIS:

\_\_\_ 1. At the end of the day, stack the papers from the recycle bin neatly.

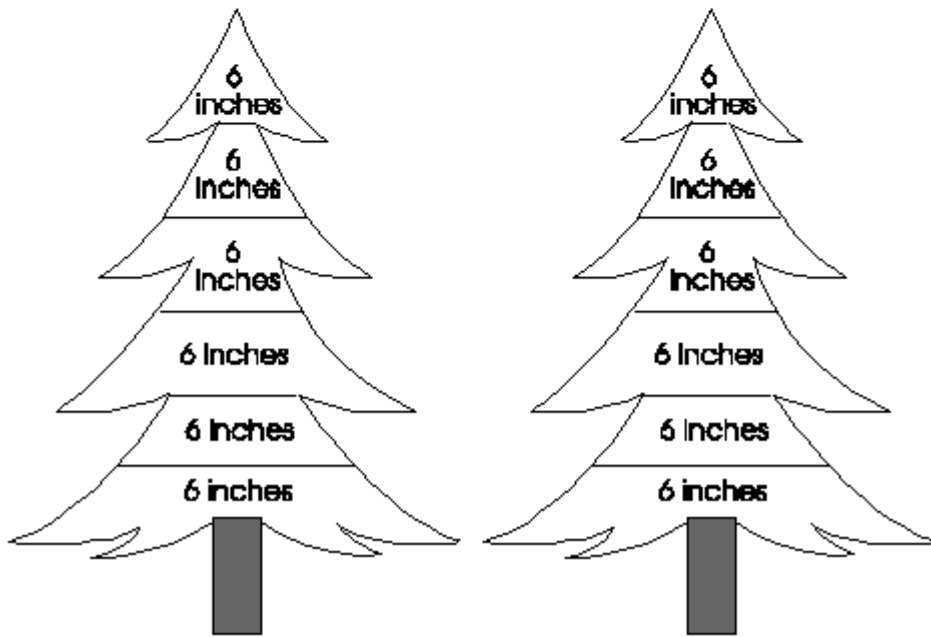

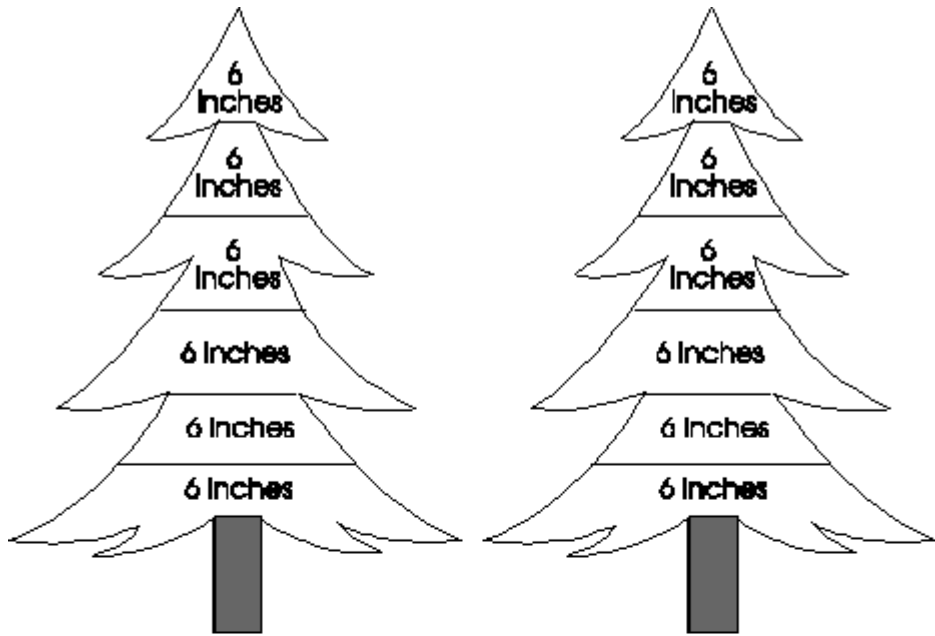

\_\_\_ 2. Measure how tall the stack is: \_\_\_\_\_ inches

\_\_\_ 3. Color one stripe on the next page for every 6 inches.

\_\_\_ 4. See how many trees you are saving each week by recycling paper.

## CONCLUSION:

We save about \_\_\_\_\_ trees each week by recycling paper.

**TREES WE SAVED IN ONE WEEK**
