TRASH OR TREAT

LET'S SEE:

How can we reuse things that we used to think of as trash?

YOU NEED:

___ 1 paper grocery bag ___ trash ___ scissors
___ your imagination ___ paint ___ glue
___ tape

DO THIS:

___ 1. Make a mask out of the bag. It can be a mask for Halloween or perhaps an Earth Day parade.

___ 2. Find out how much a Halloween mask costs to buy: _____

___ 3. How much did your mask cost to make: _____

CONCLUSION:

Making your own mask costs _____ and
(more/less)
_____ better for the earth than buying a mask.
(is/is not)
